12th Annual Arthropod Genomics Symposium at KSU
Manhattan, KS

PLEASE SHARE THIS ANNOUNCEMENT WITH COLLEAGUES AND STUDENTS!

Hi All:

In 2019 the AGS returns to KSU in Manhattan, KS. Visit our website at www.k-state.edu/agc/ags for more details about the symposium.

REGISTRATION

Register online at the Symposium website, www.k-state.edu/agc/ags!

KEY DEADLINES

Monday, March 11 – Abstracts due for Oral Presentation consideration
Sunday, March 31 – Travel Grant Applications for Vector Biologists due
Monday, May 20 - Abstracts due for Poster Presentations

OVERVIEW

The symposium focuses on new insights gleaned from analyzing arthropod genomes and is designed for scientists interested in genomic studies of Arthropods, both model organisms and those of agricultural or health relevance. The program will include platform presentations, welcome reception and arthropod genomics-related poster sessions. A few poster abstract submissions will be selected for platform presentations. Postdoctoral, graduate, and undergraduate students are also encouraged to attend. Sessions begin Wednesday evening, June 12, with a Welcome Reception featuring our Keynote Speaker and conclude Friday evening, June 14, with a walk and dinner on Konza Prairie.

TRAVEL GRANTS

Arthropod Genomics Symposium Travel Grants are being offered to support registration, lodging, and transportation to attend the 12th Arthropod Genomics Symposium held at the Kansas State University from June 12 - June 14, 2019. Early stage investigators whose research focuses on arthropod vectors of disease will be eligible to apply for funding; applications from individuals who do not have other financial support for the meeting will be favored. Vector biology travel grants are sponsored by the University of Notre Dame's Eck Institute for Global Health. More information on the travel grants can be found at https://www.k-state.edu/agc/ags/travel_grants/index.html.
