President’s Message
Kathy McEwan, Southwind District

They say time flies when you are having fun.....I will agree that is true! This year serving as your association president went by so fast that at times it seems just a blur. I have enjoyed this past year and getting to know co-workers across the state. This is an incredible bunch of FCS agents who are passionate about their work, who love Extension and K-State, and truly want to make a difference in their community.

There is incredible work being done by FCS agents all over our State. I know it and your know it, but I heard over and over at the National meetings I attended that we HAVE to get that message out if we want our profession as FCS Extension Educators to remain solid. We are doing great things; it is time to stop being modest about it! Toot your horn! Let stakeholders know that the work we do everyday matters in our communities, our state and our nation! Our State Extension administration works very hard to fight the political battles on our behalf, and our reporting provides them with the ammunition they need. I know that providing those quarterly reports is not always easy, but it is necessary.

I want to encourage you to be active in KEAFCS! There are many opportunities for you to be involve, from serving on a committee to serving as an officer. This is your professional association - you will get out of it as much as you put in. Also, take a little time to check out the NEAFCS website at www.neafcs.org. There is a ton of information and resources available to you as a KEAFCS member, including many great webinars on variety of topics. If you are not able to participate in a webinar live, they are all archived so that you can take advantage of those professional development opportunities at a later time.

Finally, thank you for the opportunity to serve as your association president. It has been an honor and a privilege to do so. Together we can keep family & consumer sciences education healthy and strong!

Kathy McEwan, President
Vice-Presidents:

1. Awards & Recognition: Robin Eubank, Barber County

   This year, we received 13 applications for awards. All of these recognized at state winners at the KEAFCS meeting at Annual Conference. Of these, we were able to send 12 on to Regional and National Judging. Kansas had 4 Regional Winners recognized at the Central Region Breakfast Meeting in Albuquerque, New Mexico. We also had 6 National Winners recognized at the Banquet at the Annual Meeting. A complete list of winners follows below.

   This year, we had 3 subcommittees under Awards and Recognition. The chairs of these committees were Denise Dias – Communications Awards, Deanna Turner – Professional Development Awards, and Rhonda Gordon – Program Awards. The work they did with their committees made the entire awards process flow smoothly. Please congratulate the winners and encourage more agents to apply each year.

   **Program Awards Committee**
   Rhonda Gordon, Chair
   Rebecca McFarland
   Susie Latta

   **Communications and Public Relations Awards Committee**
   Denise Dias, Chair
   Melinda Daily
   Nozella Brown

   **Professional Development Awards Committee**
   Deanna Turner, Chair
   Debra Wood
   Jamie Rathbun

   Each Committee reviewed all awards submitted to them. The chairs then sent the awards on to Robin Eubank, VP of Awards to be sent into NEAFCS for National Judging. Without these committees, the process of judging awards could become overwhelming. A special thank you goes out to each committee member who volunteered their time to review applications.

2. Member Resources: Christine McPheter, Meade County

"FRIEND OF EXTENSION FAMILY AND CONSUMER SCIENCES"

Anndee Biltoft and N Zone Sportswear have been connected to Walk Kansas since the beginning, in 2001, when Anndee worked with KSRE to offer the first t-shirt design for the program. Who would have known how the program would grow and how popular these t-shirts would become? Anndee has provided top notch customer service to KSRE and Family and Consumer Sciences programs for the past 12 years and not just for Walk Kansas. She is the “go to” person for most apparel and incentives offered to support programs in our system. Beyond program support, her service has provided the opportunity to market KSRE in many ways to the people of Kansas and beyond.

If you have ever called Anndee with a special request, you know how dedicated she is to help
make it happen. Always calm and reassuring, she will respond with “let me see what I can do,” “we can work with that.” “I have some more of those” ... and encourages with “just ask.”

Anndee also understands our mission, how our programs work, and has taken healthy lifestyle messages to heart. The positive changes she has made in her personal life and health are a testimony to the Family and Consumer Sciences profession. Congratulations to Anndee for winning the Friend of Extension and Consumer Science Award.

Thanks, Anndee, for your support of Walk Kansas and KSRE, and for the inspiration you provide others through your example. We look forward to working with you many more years in the future!

"FIRST TIMER AWARD OF EXTENSION FAMILY AND CONSUMER SCIENCES"

Bernadette Trieb, Wabaunsee County and Andrea Wood, Kingman County were awarded the First Timers Award.

Both ladies are looking forward to attending the annual session for the NEAFCS, because they are constantly looking for ways to improve and learn more knowledge. These ladies will have a professional development opportunity at a level higher than just our state. Hope both enjoyed the New Mexico landscape.

3. Public Relations & Marketing: Tara Solomon, Neosho County

As you can see, this position has a new title! The KEAFCS Board reviewed job descriptions and this was an adjustment made after learning that the Living Well Campaign is currently on hold.

Part of this role is welcoming new agents across the State and providing formation to them about our association. Thanks to the work of Kylie Ludwig, a KEAFCS Brochure and letter was developed. This office sent these materials out to newly hired FCS Agents.

Good information is still available on the following Living Well Websites http://www.neafcs.org/content.asp?pageID=189 and http://www.learningandlivingwell.org/.

4. Professional Development: Ethel Schneweis, Ford County

As VP of Professional Development, I served on the United Association’s Planning Committee as one of our representatives from our state association. A successful United Association Conference was held in Wichita on March 3-4. Our association was responsible for handling refreshments during breaks and providing beverages for meals. Several association members attended, as well as presented sessions during the conference. As members of our state and national associations, every member is encouraged to participate in webinars sponsored and provided by NEAFCS. These educational webinars are recorded and are archived on the NEAFCS website for members to watch when time is available. I hope members take advantage of this wonderful professional development opportunity. Ethel
Secretary
Cindy Evans, Shawnee County

See the minutes presented at the regularly scheduled, October 2011, general meeting. All minutes are recorded and available for review on the KEAFCS website http://www.ksre.ksu.edu/agent_association/p.aspx?tabid=49.

Treasurer
Belinda Oldham, Wichita County

All bills and deposits have been made and the association shows a net worth of $20500.96. The books will be audited at Annual Conference by Linda Beech, Kathy McEwan, and myself.

We have 71 paid members this year. Dues will increase by $5.00 to $120 for 2012. Thirty dollars stays in the association and we pay national $24 and KEAA $6. I will collect dues at our association business meeting at Annual Conference. Please go online at www.neafcs.org to update your renewal or new member form and bring it with your check to our meeting.

The association voted to change our fiscal year to be from annual conference to annual conference each year. This will make it easier to keep expenses and income in the right year. We are still working on getting our identification number as we don’t seem to be in the system. We will hopefully have a report on this at our next association meeting.

There are still cookbooks to sell and if we run out national has over 14,000 that need to be sold. If you can think of ways to help with this, let someone on the board know.

Joann Paschal, Russell County
No report

President-Elect
Linda Beech, Finney County

Thank you for the honor and privilege of serving as your President-Elect this year. As I conclude this year and prepare to assume the duties of KEAFCS President, I want to thank you for giving me this opportunity to serve you and to serve our profession on the state, regional and national level.

When I completed the National Extension Leadership Development (NELD) program last year, I was looking for ways that I could return the favor of excellent training and put my new skills to use. So, when I got a call from the KEAFCS nominating committee, I was ready to say yes! I’d encourage you to say “yes” to KEAFCS, too— no matter if you’re a new agent or a “seasoned professional,” or whether you’ve had extra training or are simply willing to learn— there is a place for you in our association. Becoming an active, involved KEAFCS member is a great way to unite our efforts and promote our profession, both here at home among our Extension clientele and colleagues, and on the regional and national level as well.

Be sure to take advantage of the benefits of association membership which are available for your professional growth. I have really enjoyed participating in several NEAFCS Member-Only Webinars this year. These exclusive professional development opportunities are for association members only and may be accessed from the comfort of your own office. When you’re ready to get away from home, be sure to consider attending the NEAFCS national conferences which are held annually in locations across the country. These action-packed conferences are filled with training sessions, inspiring speakers, and wonderful networking opportunities with other Extension family and consumer science professionals. They’re always
a source of new ideas which can be put into use back home.

For me, this has been a year of opportunities missed and opportunities fulfilled. My trip to represent you at the Joint Council of Extension Professionals (JCEP) Conference in February was cancelled by a blizzard and I missed the KEAFCS meeting at Spring Action Conference due to a hospital emergency. But, I fulfilled my duty to plan a great evening of celebration at States Night Out during NEAFCS in Albuquerque. (I hope many of you will join the fun!) I fulfilled my duty to represent you on the NEAFCS affiliate president/president-elect mid-year web conference and I will fulfill my opportunity to participate at NEAFCS as a voting delegate. And I’m working already to fulfill your trust as I move toward serving as KEAFCS President next year. Thanks for this greatest opportunity of all!

Sincerely,

Linda Beech
KEAFCS President-Elect

Area Counselor: Southwest
Andrea Wood, Kingman County

The SW Area FCS agents, area specialists and retirees were invited to the new home of Pam Muntz in Greensburg, on Thursday, May 12, 2011 for our Spring Retreat. The group welcomed new agents, Megan (Maxson) Ferrell, Harper County and Amy Sollock, Edwards County (previously Ford Co. 4-H agent).

After an enjoyable luncheon, agents were given a tour of the Kiowa County Memorial Hospital which is a LEED Platinum facility. Leadership in Energy and Environmental Design (LEED) is an internationally recognized green building certification system and the hospital has the highest certification.

Area Counselor: Northwest
Diann Gerstner, Thomas County

The NW area welcomes Amy Lorenzen to the Golden Prairie District, Oakley office. Some of you may remember Amy, as she was the Thomas County FCS agent 1989-1992. Amy has a bachelor’s degree in Human Ecology and Mass Communications. During her absence from Extension she worked on the family ranch, taught FCS and Journalism at school and worked for the Farm Service Agency. Amy’s husband Paul is a farmer/rancher and they have two boys Joshua 17 and a senior this year and Jared 13 and an 8th grader. Her hobbies include gardening, horses and being with family.

We are excited to finally have the Ellis County FCS position announcement out after Carla Morrical-Frederking’s retirement June 30, 2010. Maybe I’ll have someone new to introduce to you at Annual Conference.
Area Counselor: Northeast
Nichole Burnett, Johnson County
Nichole is on sabbatical.

Area Counselor: Southeast
Kylie Ludwig, Labette County

The “Aging With Attitude Regional Expo” was a new Adult Development and Aging program endeavor for K-State Research & Extension and community partners in southeast Kansas in 2011. Several extension agents from southeast Kansas put together a team of peers along with the Extension Area Specialist to form a programming team to research, discuss and evaluate how best to address the needs of Kansans 65 years and older. In consultation with Deb Sellers, State Specialist in Family Studies and Human Services, and relying on information obtained from extension staff in the northwest area, the southeast Kansas expo was established.

The Expo was held in Chanute, KS on April 29, 2011. The Expo provided 14 educational sessions that covered 10 different topics. During the Expo, blood pressure checks were conducted and bone density screenings were provided by Via Christi Hospital.

The event attracted over 60 participants and 17 exhibits involving approximately 100 people. Feedback from participants and exhibitors indicated overwhelming support of the event. A short video was produced to share with our current partners and to promote the Expo to potential partners and sponsors.

Plans are being made for a 2012 Expo. The planned date is set for April 27, 2012 and will again be held in Chanute.

Operational Committees
  Audit: The Treasurer’s books were audited and found to be in accurate order for the fiscal year ending 2010. An audit will be conducted prior to the Annual KEAFCS Business Meeting to close the financial records for the fiscal year 2011. Also, see treasurer’s report on page 2.

  Budget: See page following treasurer’s report.

  Constitution, By-Laws and Policy:

  Summary of Suggested Bylaw Changes
  As suggested at KEAFCS Board Workday, December 2, 2010

Article II – Section 2
Change the Fiscal Year to be from Annual Meeting to Annual Meeting.
Rational: As it is currently following the calendar year, we collect dues at the end of the year. This means that we run as an association on our reserves without knowing what income we will have for the year. Changing to Annual Meeting to Annual Meeting will allow us to gather dues at the beginning of
our year. In the event of a significant drop in income, the Board would be able to deal with the budget during the year the drop happens. The wording “Annual Meeting” was selected instead of “Annual Conference”. In the event that Annual Conference is not held, this still allows for a KEAFCS Meeting to be held and to start a new fiscal year.

Article IV – Section 2
Change VP of Public Affairs to VP of Public Relations
Rational: There was a greater need for promotion of the organization and recruitment, additionally; this was already this positions responsibility.

Under Area Counselors: Move Newsletter responsibility from being combined with Annual Report to Nominating Committee.
Rational: The Newsletter and the Annual Report should serve separate functions. The Annual Report should be a historical document including all achievements from the past year. The Newsletter should update members on current events. Also, the newsletter should include bios on members running for office. Therefore, it was connected with the Nominating Committee.

Article V – Section 2
Program of Work Committee – Changed New Agent Orientation to Recruitment
Rational: The trend is to delay joining professional organizations; we need to be recruiting current agents, as well as, new agents.

Program of Work Committee – Combined Marketing and Public Affairs to make Public Relations Committee
Rational: This was in line with changing to the VP of Public Relations and including the marketing duties.

Program of Work Committee – Removed Legislative Event Committee
Rational: This event is no longer held and there were no plans to reinstate it.

Additional changes included cleaning up typos and altering any lines that referred to the above changes.

Program of Work Committees
Membership: See Vice-President Member Resources report.

Membership Resources: see page one

New Agent Orientation: see page three

History: no report

Retirement:
Eight former KEAFCS agents retired between September 2, 2009 and August 31, 2011. These agents will be honored with the gift of a book to the library of their choice. The agents to be honored include: Sherrie Mahoney, Donna Martinson, Barbara Lilyhorn, Glenda Keller, Rebecca Wallace, Janet Stephens, Carla Morrical-Frederking and Peg Condray.

Scholarship/Friend of Extension/First Timers Stipend:
See page 2
Research & Studies: no report

Marketing Committee: see Public Relations and Marketing page three.

United Conference:
A successful United Association Conference was held in Wichita on March 3-4. KEAFCS was responsible for handling refreshments during breaks and providing beverages for meals. Several association members attended, as well as presented sessions during the conference. Ethel Schneweis

Communications & Public Relations Awards: see pages 7 & 8

Program of Work Area Committees

Friendship Night: Northwest Area

Friendship Night is back and its name says it all. We want it to be a time for KEAFCS members to connect/reconnect and enjoy! Although we will not have formal entertainment, to allow the “connection” time, this years’ theme is “Happy Birthday Kansas!” We hope you all will join us Wednesday, October 19th at 6 pm at Ramblers on US highway 24. We will have a great supper, with birthday musts and short association business, leaving time to mingle.

Annual Report: Southwest Area
Mission accomplished.

KSF Fashion Revue: Southeast Area
Southeast Area FCS agents made a “Fashion Detour” at the Kansas State Fair 4-H Fashion Revue. Judging was held on Saturday, September 17 at Stringer Fine Arts Center at Hutchinson Community College. The Public Revue was held at Hansen Auditorium, Encampment Building on the Kansas State Fairgrounds. The stage design featured road signs, barricades and a car cut-out. The printed program was printed and folded like a road map.

Co-chairs for the event were Corinne Patterson, Lyon County 4-H Agent; Rhonda Gordon, Lyon County FCS Agent; and Becky Reid, Cowley County FCS Agent. A change for 2011 allowed each county (or district could enter the number of counties comprising the district x 2) to enter two contestants per class. Entries increased in all classes: 49 entries in Clothing Construction; 53 entries in Boy's Buymanship; and 103 entries in Girl's Buymanship.

Newsletter & Nominating: Northeast Area
Nichole Burnett is on sabbatical.
