

## Alianza of Kansas State University

### Co-Sponsorship Application

Alianza is K-State's Faculty/Staff Alliance for Hispanic/Latino Affairs. Our purpose is to advocate for the advancement of Hispanic/Latino population on campus and to help enrich diversity at K-State. We support activities that advance and advocate Latino issues on campus.

Applications must be submitted to the president at least 1 week in advance of a general Alianza meeting. Meetings generally occur in the months of September, October, November, January, February, March, and April. (See <http://www.k-state.edu/alianza/> for current schedule.) If a summer request is needed, please submit it on June 1, July 1, or August 1 and allow 4-6 weeks for response.

All programs or activities that receive funds from Alianza must be acknowledged on all written promotional materials and orally at the events themselves.

Unless it is an Alianza event, the organization will only co-sponsor events, i.e. you must have other funding sources. Events must be open to the public.
