**Survey Information:**

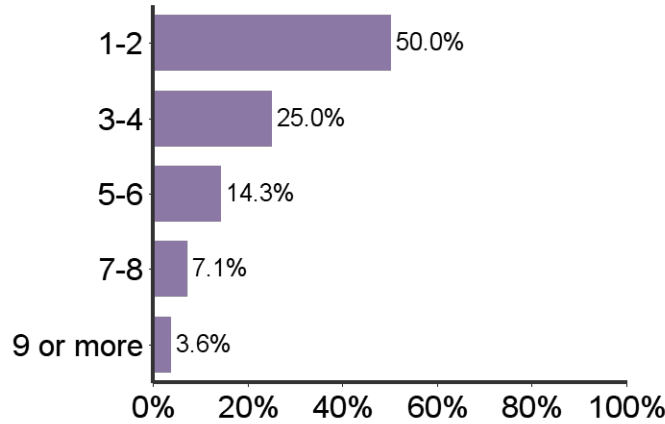

- The Alumni Survey is designed to give graduates an opportunity to reflect upon their years at K-State one year after graduation. This information is used to improve the college experience for future students by identifying strengths in our programs as well as areas that need further development. The survey includes questions relating to academic program satisfaction, intellectual and personal growth, student services, and preparation for a career or graduate/professional school.
- The 2015-16 survey was administered to alumni who graduated in summer 2013, fall 2013, and spring 2014. It was offered via e-mail over the period 10/22/2015-12/01/2015.
