Student Staff Handbook  
2018-2019

Congratulations and Welcome!!!

You have been chosen to serve on the 2018 KSUMB Student Staff! You have proven yourself capable to represent, embody, and uphold the responsibilities and expectations of the KSUMB Student Staff. The experience you are about to receive by far surpasses ANY existing student staff position in the entire country. This behind-the-scenes perspective of the KSUMB will reveal what really fuels The Pride of Wildcat Land to move forward at a high level. You need to understand that the Student Staff is not a position of privilege or entitlement. YOU must earn your title every day so that you can serve the KSUMB in any capacity expected of you. Failing to do so will result in removal from the KSUMB Student Staff.

Fact, you work harder, longer, and more then you did as a marching/playing member of the KSUMB. Fact, you will be expected to perform tasks that will force you out of your comfort zone. Fact, you will be expected to assume a level of leadership and “adulthood” that you might not feel 100% prepared for. Fact, completing a season as a KSUMB Student Staff member will transform you into the success you need to be for whatever you need to do...but only if YOU choose to buy-in 100%. Bottom-line, you will only get out what you put in. Being a leader means sacrificing everything you want for the needs of others. Are you ready to really find out what you are made of?!?!?

We want you to rise to this challenge, take life head-on, and see your job through to completion with everything that makes you, YOU! Your energy, your passion, your enthusiasm, and your will to do everything you can to make the KSUMB BETTER. This is the reason why you want to be on the Student Staff right? SO JUST DO IT!!!

Again, we welcome you to our team and cannot wait to see how you will LIBTYFI during the 2018 Season!!!

Go Cats!!! Go Band!!!

Dr. Frank Tracz  
Dr. Alex Wimmer

## Band Camp Responsibilities

Student Staff responsibilities during band camp can be summarized in a few key points:

1. Be eager to help and be proactive in your responsibilities.
2. Make an effort to get to know the new (and old) members and learn their names.
3. Come to every rehearsal well-hydrated and well-rested!

Specific responsibilities will be similar to the section on Rehearsal Responsibilities below. Be prepared to adapt these for the rigors of band camp.

## Rehearsal Responsibilities (T/TU/F 3:30-5:20)

### Before Rehearsal

Memorial field will be setup by 3:15 for outdoor rehearsal days – to facilitate, each member of student staff will have responsibilities to fulfill before that time. A pre-rehearsal meeting of student staff and GAs will take place, on selected days, at 2:30 in the band office. Following the meeting, staff will attend to the following responsibilities.

- **Trevyn** – Assist wherever necessary.
- **Carrie** – Wireless receiver black box from Dr. Wimmer’s office and electronic setup at the rehearsal field. After completed, help with all other tasks.
- **Kathleen** – Podiums out and help with other tasks.
- **Jessica** – Water spigots and hoses, then help with all other tasks.
- **Megan** – Water spigots and hoses, then help with all other tasks.
- **Trace** – Poles and yard markers, then help with all other tasks.
- **Shelbie** – Band iPad from Dr. Wimmer’s office along with new pink sheets that affect the current rehearsal. Then help with other tasks.
- **Abby** – Podiums out and help with other tasks.

Members should also check that setup duties given to committee members of TBS/KKY are completed.

## During Rehearsal

All staff members should have a radio, pole, charts, music scores, and easy access to ropes/tapes during rehearsals. During fundamentals, staff should:

1. Use the appropriate rope(s) to set the initial fundamental block. One should be set up at the front of the block and at the back to help set the entire block efficiently upon stop/dress. Hash ropes will be held by **Jessica** and **Abby**, and they will each need a partner to run the rope across the front/back of the block.
2. Circulate through the ensemble with poles to check for spacing.
3. Watch for fundamentals and make comments when directors aren't giving direction.

During music warm-ups/rehearsal, **Shelbie** will check in members who come into rehearsal late as well as check the online database to make sure each section has turned in their attendance for the day. If a section leader hasn't completed their attendance, she will go remind those leaders to finish (their attendance is to be finished before participating in the music warm up). When all the attendance is in, **Shelbie** will make sure that everyone is present who doesn't have a pink or yellow sheet. She will then contact any unexcused absences via phone.

After attendance has been completed, staff should meet by the podium to go over drill concerns and other comments regarding rehearsal that have been addressed by Dr. Tracz and Dr.

Wimmer. Every staff member should be very familiar with the drill to be addressed in each rehearsal-understand where mistakes might/do occur and think of ways to address and fix these.

As rehearsals shift to drill, staff should be in their assigned section, listed below, with pole/tape and radio to begin helping with drill instruction. Staff should try their best to address concerns as fast as possible but always be aware of Dr. Tracz/Dr. Wimmer's rehearsal directions as not to be counterproductive. SS comments should be very short, positive and concise so not to overwhelm an individual and/or make them miss instruction by GAs or Wimmer/Tracz over the speakers.

When music or drill is to be passed out during a rehearsal, staff will have the papers organized into separate piles to expedite the process. We will then spread out over the field to pass the papers out to members.

## After Rehearsal

At the conclusion of rehearsal, the staff should always be present at the podium meeting to hear announcements and new tasks from Dr. Tracz. If materials are to be passed out, two members of staff will be at the front of the ensemble to do this. We will then assign any new tasks given to staff to whomever it is relevant. Teardown responsibilities are as follows:

- **Trevyn** – Assist wherever necessary.
- **Carrie** – Wireless receiver black box back in Dr. Wimmer's office and electronic teardown and help with other tasks.
- **Kathleen** – Electronic teardown and help with other tasks.
- **Jessica** - Water spigots back in storage and Podiums down, help with all other tasks

- **Megan** - Water spigots back in storage and Podiums down, help with all other tasks
- **Trace** - Poles/Yard markers in storage and Podiums down, help with all other tasks
- **Shelbie** - iPad back to band office and assist others with their tasks
- **Abby** - Teardown tent (if applicable) and Podiums down, help with other tasks

Staff should stay after members to make sure field is cleaned up and all is put away. Items that are found after rehearsal should be returned to the band office for a “Lost and Found” pile (in Dr. Wimmer’s office).

### **After FRIDAY (before Gameday) Rehearsal**

- Student Staff members and GAs are responsible to stay and help load the truck with instruments and other Gameday items such as;

- Apples
- Candy
- Coolers (for water during Game)
- Poles
- Plumes (Trevyn/GAs are in charge of loading on truck)
- Percussion stands
- Drumline Instruments/Tubas
- Other misc. Rehearsal equipment: Speakers, speaker stands, yard markers, podiums.

## **Sectionals**

Most instrument sectionals are held on Wednesday evenings during the marching season. Staff should have at least one representative check in on all sectionals to answer questions or give new announcements. It will not be necessary for one person to attend all sectionals or to stay the entire duration, however sectional attendance may be assigned by directors for specific weeks. Student Staff’s responsibilities during sectionals include, but are not limited to: collecting attendance, delivering announcements, etc. While homework can be done during downtime, the band’s needs should be the priority.

# Gameday Responsibilities

## Uniform

Student Staff is a small part of a large organization and we must represent the group by looking professional and cohesive. Dr. Tracz will make the call on Khaki or Black before Game day. Staff shoes (color tbd, probably black or purple) will be provided and socks should be coordinated (generally black). Polos should be tucked in and accessories (sunglasses, jewelry, etc.) should be kept conservative and minimal. Hats and jackets will also be provided to wear at the games. The Staff bag is convenient for stowing essentials to the indoor facility, but the group should keep their in-stadium items down to one bag, if at all. The only bag that needs to be brought to the stadium EVERY TIME is the medical bag. All parts of the Uniform are ONLY for KSUMB events. Parts of the uniform may be worn freely OUTSIDE OF THE KSUMB SEASON.

## Pregame

### Parking Staff:

Parking duty will be done on a rotating basis and will require two members. The members should arrive in the lot (making sure to receive the key before hand) 30 minutes prior to the earliest sectional call time. Don't come inside the indoor until rehearsal time begins.

- a. Cars should be approx. 1 – 2 ft. apart from front to back and 3 ft. apart between doors.
- b. Do NOT stand directly in front of vehicles when directing them into their spots.
- c. Do NOT put yourself, a KSUMB member, or a vehicle into risky situations.

After parking is done, the two staff members will proceed to Bramlage tunnel/Indoor Facility to make sure the security guard has arrived and all water bottles are iced down in coolers. Once water is in ice and tables are set up, go to field for rehearsal.

### Non-parking Staff:

Non-parking staff will attend the pregame staff meeting at Bluestem Bistro and immediately report to the field to begin setting up the field for rehearsal. Non-parking staff will relay morning meeting information to parking staff before the start of rehearsal duties. Responsibilities for rehearsal set-up will be the same as regular rehearsal days. At this time, make sure all KSUMB members are dressed properly without any excess accessory items (sunglasses that aren't black/brown, scarves, hats, sweatshirts, etc.).

At the conclusion of rehearsal, responsibilities will be as follows:

- Those assigned to parking should return to the indoor to prepare for lunch.
- **Trevyn** will attend the center of the field meeting with pen and paper for new requests/schedule from the directors.

- All other members should begin tear down. Podiums will be placed up against the bleachers near their Pre-Game positions.
- Make sure Staff water bottles are placed in the stands.

If requested, a member of staff may attend pep bands. Otherwise, members should monitor the indoor facility and pick up trash as meals are finished. At this time, plume boxes should be ready for departure and Staff members should be helping KSUMB members make last minute adjustments to their uniforms while moving to the front of the block. SS will EAT LAST, AFTER EVERYONE HAS BEEN SERVED.

### **Departing Bramlage/Indoor:**

During the pregame parade, student staff who are assigned to plume boxes will escort the plume boxes ahead of the band and set up for distribution at the end of the marching route. **Trevyn** will follow behind the band and will quickly help finish plume distribution and wait for drumline to begin the descent to Gate X. Student Staff traditionally falls in behind Drumline. As the band is queuing to enter the stadium, staff will enter the gates and set up behind the band to block off the pre-pre-game rally. Once the band begins to queue for the pre-game countdown, staff will set up the six pre-game podiums as needed.

After pregame is completed, the three podiums NOT needed for half time should be brought back to the band seating. The three podiums needed for half time should be leaned against the railings of the stadium. The staff should then return to the band seating and position themselves around the band in assigned areas.

### **Game**

During the game, staff responsibilities will consist of:

- Conducting on the sides of the band when turned.
- Filling water bottles\*\*\*
- Monitoring general behavior and crowd around the band

As the band leaves their seats for half-time performance, members of staff should position themselves for their assigned podium set up. SS not assigned to a podium during the show will open plumes boxes for collection after half time.

At the conclusion of the performance staff members will collect plumes and help members get back into the stands quickly. Those who are assigned to podiums will return them to the band section. When the plumes boxes have been filled, and we get the "go-ahead" from Tracz, the staff should begin to distribute apples throughout the stands. After apple distribution, staff will resume their spots and responsibilities in the stands for the duration of the game.

## **Post Game**

At the conclusion of the game (another Wildcat Victory!) staff will attend the post game full band meeting and, at the conclusion of the meeting, will begin tearing down and loading of the truck. The two parking staff will go straight back to the indoor to start cleaning up tables and coolers. After the truck has been loaded and the band section is cleaned, the staff will return to the indoor facility to ensure everyone/everything made it out. Trash barrels should be placed back into their original positions and excess trash should be taken out to the dumpster at this time. The staff will then return to McCain to unload the truck. The Student Staff and Managers will then take the Memorial Stadium equipment back to the storage area for the next rehearsal.

## **Parades**

In preparation for parades, staff should gather all materials and be at the parade start prior to call time. Depending on the amount of podiums needed, SS and Band managers will escort the needed podiums and set them up for the drum majors once the band arrives at the performance space. Exception-Purple Power Play in the Park-staff should stay with the band during this parade. Good rule of thumb-**go wherever the truck goes**. It may be necessary for some members of staff to **“encourage” people to move out of way for the band**. Staff should also direct traffic when needed. *Specific assignments TBA.*
