Band Camp Responsibilities

Student Staff responsibilities during band camp can be summarized in a few key points:

1. Be eager to help and be proactive in your responsibilities.
2. Make an effort to get to know the new members and learn their names.
3. Come to every rehearsal well hydrated!

Specific responsibilities will be similar to the section on Rehearsal Responsibilities below. Be prepared to adapt these for the rigors of band camp.

Rehearsal Responsibilities

Before Rehearsal

Memorial field will be setup by 3:15 for outdoor rehearsal days – to facilitate, each member of student staff will have responsibilities to fulfill before that time. A pre-rehearsal meeting of student staff and G.A.'s will take place, on selected days, at 2:45 in the band office. Following the meeting, staff will attend to the following responsibilities.

- **Cassi** – God Box from Mr. Linn's office and electronic setup at the rehearsal field. After completed, help with all other tasks.
- **Jasmine** – Water spigots and hoses, then help with all other tasks
- **Abigail** – Poles and yard markers, then help with all other tasks
- **Lizzy** – Attendance book from band office to field and organize pink/yellow sheets for attendance. In the dead time, help with other tasks.
- **Xan** – Podiums out and help with other tasks.
- **Taylor** – Podiums out and help with other tasks.

Members should also check that setup duties given to committee members of TBS/KKY are completed.

During Rehearsal

All staff members should have a radio, pole, charts, music scores, and easy access to ropes/tapes during rehearsals. During fundamentals, staff should:

1. Use the rope to set the initial fundamental block.
2. Circulate through the ensemble with poles to check for spacing.
3. Watch for fundamentals and make comments when directors aren't giving direction.

During music warm-ups/rehearsal, those who are assigned to attendance sheets will collect and return them to Lizzy. Attendance sheets will be prepared beforehand that have section rosters with excused absences listed. These sheets will be located in the attendance binder for section leaders to retrieve before rehearsal. Lizzy will then compile the lists and contact any unexcused absences via phone.

- Woodwind and Percussion attendance collection- Taylor
- Brass and Auxiliary attendance collection- Abigail

After attendance has been completed, staff should meet by the podium to go over drill concerns that have been addressed by Dr. Tracz and Mr. Linn. Every staff member should be very familiar with the drill to be addressed in each rehearsal-understand where mistakes might/do occur and think of ways to address and fix these.

As rehearsals shift to drill, staff should be in their assigned section, listed below, with pole/tape and radio to begin helping with drill instruction. Staff should try their best to address concerns as fast as possible but always be aware of Dr. Tracz/Mr. Linn's rehearsal directions as not to be counterproductive.

When music or drill is to be passed out during a rehearsal, staff will have the papers organized into separate piles to expedite the process. We will then spread out over the field to pass the papers out to members.

After Rehearsal

At the conclusion of rehearsal, the staff should always be present at the podium meeting to hear announcements and new tasks from Dr. Tracz. If materials are to be passed out, two members of staff will be at the front of the ensemble to do this. We will then assign any new tasks given to staff to whomever it is relevant.

Teardown responsibilities are as follows:

- **Cassi** - God Box back in Mr. Linn's office and electronic teardown and help with other tasks.
- **Jasmine** - Water spigots back in storage and Podiums down, help with all other tasks
- **Abigail** - Polls/Yard markers in storage and Podiums down, help with all other tasks
- **Lizzy** - Attendance back to band office and assist others with their tasks
- **Xan** - Teardown tent (if applicable) and Podiums down, help with all other tasks
- **Taylor** - Teardown tent (if applicable) and Podiums down, help with other tasks

Staff should stay after members to make sure field is cleaned up and all is put away. Items that are found after rehearsal should be returned to the band office for a "Lost and Found" pile. There will be a staff meeting every Thursday after rehearsal on game weeks.

Sectionals

Most instrument sectionals are held on Wednesday evenings during the marching season. Staff should have at least one representative check in on all sectionals to answer questions or give new announcements. It will not be necessary for one person to attend all sectionals or to stay the entire duration, however sectional attendance may be assigned by directors for specific weeks. Student Staff's responsibilities during sectionals include, but are not limited to: collecting attendance, delivering announcements, etc. While homework can be done during downtime, the band's needs should be the priority.

Gameday Responsibilities

Uniform

Student Staff is a small part of a large organization and we must represent the group by looking professional and cohesive. Dr. Tracz will make the call on Khaki or Black before Gameday. Shoes should be professional and comfortable, while coordinating with the pants (brown shoes with khaki, black shoes with black). Polos should be tucked in and accessories (sunglasses, jewelry, etc.) should be kept conservative and minimal. Hats and jackets will also be provided to wear at the games. The Staff bag is convenient for stowing essentials to the indoor facility, but the group should keep their in-stadium items down to one bag, if at all.

Pregame

Parking Staff:

Parking duty will be done on a rotating basis and will require two members. The members should arrive in the lot (making sure to receive the key before hand) 30 minutes prior to the earliest sectional call time.

- a. Cars should be approx. 1 – 2 ft. apart from front to back and 3 ft. apart between doors.
- b. Do NOT stand directly in front of vehicles when directing them into their spots.
- c. Do NOT put yourself, a KSUMB member, or a vehicle into risky situations.

After parking is done, the two staff members will proceed to Bramlage tunnel/Indoor Facility to make sure the security guard has arrived and all water bottles are iced down in coolers. Always double check to see that orange coolers and barrier foam protectors have been taken from the pods to the stands.

Non-parking Staff:

Non-parking staff will attend the pregame staff meeting at Bluestem Bistro and immediately report to the field to begin setting up the field for rehearsal. Responsibilities for rehearsal set-up will be the same as regular rehearsal days. At this time, make sure all KSUMB members are dressed properly without any excess accessory items (sunglasses that aren't black/brown, scarves, hats, sweatshirts, etc.).

At the conclusion of rehearsal, responsibilities will be as follows:

- Those assigned to parking should return to Bramlage tunnel with a GA to prepare lunch.
- Cassi will attend the center of the field meeting with pen and paper for new requests/schedule from the directors.
- All other members should begin tear down. Podiums will be placed up against the bleachers near their Pre-Game positions.
- Make sure Staff water bottles are placed in the stands.

If requested, a member of staff may attend pep bands. Otherwise, members should monitor the indoor facility and pick up trash as meals are finished. At this time, plume boxes should be ready for departure and Staff members should be helping KSUMB members make last minute adjustments to their uniforms while moving to the front of the block.

Departing Bramlage/Indoor:

During the pregame parade, student staff will escort the plume boxes at the end of the marching route and set up for distribution. Cassi will follow behind the band and will quickly help finish plume distribution and wait for drumline to begin the descent to Gate X. Student Staff traditionally falls in behind Drumline. As the band is queuing to enter the stadium, staff will enter the gates and set up behind the band to block off the pre-game rally. Once the band begins to queue for the pre-game countdown, staff will set up the six pre-game podiums as needed.

After pregame is completed, the three podiums NOT needed for half time should be brought back to the band seating. The three podiums needed for half time should be leaned against the railings of the stadium. The staff should then return to the band seating and position themselves around the band in assigned areas.

Game

During the game, staff responsibilities will consist of:

- Conducting on the sides of the band when turned.
- Filling water bottles***
- Monitoring general behavior and crowd around the band

As the band leaves their seats for half-time performance, members of staff should position themselves for their assigned podium set up. Cassi will open plumes boxes for collection after half time.

At the conclusion of the performance staff members will collect plumes and help members get back into the stands quickly. Those who are assigned to podiums will return them to the band section. When the plumes boxes have been filled, the staff should begin to distribute apples throughout the stands. After apple distribution, staff will resume their spots and responsibilities in the stands for the duration of the game.

Post Game

At the conclusion of the game (another Wildcat Victory!) staff will attend the post game full band meeting and, at the conclusion of the meeting, will begin tear down and loading of the truck. After the truck has been loaded and the band section is cleaned, the staff will return to the indoor facility to ensure everyone/everything made it out. Trash barrels should be placed back into their original positions and excess trash should be taken out to the dumpster at this time. The staff will then return to McCain to unload the truck.

The Student Staff and Managers will then take the Memorial Stadium items back to the storage area for the next rehearsal.

Parades

In preparation for parades, staff should gather all materials and be at the parade start prior to call time. After the band has departed, the staff will depart for the parade destination and be prepared to receive plumes, instruments, etc. Exception-Purple Power Play on Poyntz-staff should stay with the band during this parade. Good rule of thumb-go wherever the truck goes. It may be necessary for some members of staff to “encourage” people to move out of way for the band. Staff should also direct traffic when needed. Specific assignments TBA.
