

Pub Crawl Band Info

What is Pub Crawl Band?

Pub Crawl Band is a pep band sized group that travels around Manhattan playing in restaurants, bars, etc. the Friday night before home football games to get people excited for game day. There are three groups: Aggieville, Poyntz, and East/West. Students are required to audition for the group, attend the mandatory meeting, and participate Friday evenings. Students receive \$10 for each Friday night along with a meal afterwards.

Auditions:

Your audition into the group will coincide with your audition for the KSUMB. Please fill out the yellow sheet and hand it to the proctor. Pub Crawl bands will be announced and posted on Friday afternoon. Once bands are set, there is no switching bands.

Absences:

Students are required to arrange for a sub if he or she plans to be absent. The sub must play the same part as the member who will be absent. A member's absence and sub must be approved by Allegra Fisher. The member then is responsible for ensuring payment to the sub. One unexcused absence will result in removal from the group.

Conduct of the Group:

As all K-State Band functions, this group is a strictly dry group. Any alcohol consumption during the event will result in immediate removal from Pub Crawl Band along with potential removal from other KSU Band organizations. Cell phones will also not be tolerated during performances.
