

KSU Ecology and Evolutionary Biology Seminar Fall 2021

Thursdays at 12 pm - Format as indicated

[Zoom: https://ksu.zoom.us/j/93843993583?pwd=ZlI0VnhzeGhDakNhaEYrY00vNmpVdz09](https://ksu.zoom.us/j/93843993583?pwd=ZlI0VnhzeGhDakNhaEYrY00vNmpVdz09)

Zoom Meeting ID: 938 4399 3583

In-person seminars will be in Ackert Hall Rm 423

Date	Speaker	Affiliation	Title	Host	Format
30 Sept	Tyler Hoeker	University of Montana	Anticipating subalpine landscapes of the future, response to climate and fire-regime change in the northern US Rocky Mountains	Zak Ratajczak	Zoom
7 Octo	John Coffin	KSU	Passing the finish line: Which barriers push speciation to completion?	Allison Louthan	Ackert 324
14 Octo	Bob Shriver	U. Nevada, Reno	Plant resilience in the face of global change: a demographic perspective	Allison Louthan	Zoom
21 Octo	Greg Houseman	Wichita State	Fine-scale heterogeneity & plant diversity: Influence of soil versus plant sources of spatial structure	Loretta Johnson	Ackert 324
28 Octo	GSOP	KSU	Multiple grad student lightning talks	Lydia Zeglin	Ackert 324
4 Nove	GSOP	KSU	Multiple grad student lightning talks	Lydia Zeglin	Ackert 324
11 Nove	GSOP	KSU	Multiple grad student lightning talks	Lydia Zeglin	Ackert 324
18 Nove	Alexa Fredston-Hermann	Rutgers University	Understanding, predicting, and managing marine species on the move	Allison Louthan	Zoom
