

Reports Enhancements

(Handout: Reporting Enhancement Requests for Student Records and Enrollment Reports)

Mike Crow reviewed the list of reports.

<u>WSR201</u> <u>Print Class Schedule</u>	DCE wants to be able to add global notes. A “master extract by class” would be helpful.
<u>WSRCM001</u> <u>Missing Enrollment Sections</u>	No comments.
<u>WSRCM002</u> <u>No Grading Basis</u>	No comments – not used by DO.
<u>WSRCM003</u> <u>Missing Class Patterns</u>	No comments.
<u>WSRCM004</u> <u>Check Sheet for Class Sections</u>	Needs to be revised – difficult to decipher.
<u>WSRCM006</u> <u>Course with Missing Instructor</u>	No comments.
<u>WSRCM007</u> <u>Excess Load Listing</u>	No comments.
<u>WSRCM011</u> <u>Advisor/Instructor Report</u>	Problem: DO can’t correct history.
<u>WSRCM012</u> <u>Requisites for Courses</u>	CSV?
<u>WSRCM013</u> <u>Minimum Load Listing</u>	Don’t list all courses as separate entries.
<u>WSRCM014</u> <u>Summary Across Colleges</u>	?? (I missed any comments.)
<u>WSRCM015</u> <u>Records Error Report</u>	Used only by REG.
<u>WSRCM016</u> <u>Enrollment Summary By Section</u>	See listed suggestions. Can WSR201 and this report be combined?
<u>WSRCM019</u> <u>Advisor Advisee List</u>	Need parameters added (Academic Org, Program, Plan, Subplan).
<u>WSRCM020</u> <u>Wait List Report</u>	Add Academic Org.
<u>WSRCM021</u> <u>Variable Section Titles by Stu</u>	Also need one by Section.
<u>WRSEN03</u> <u>College FERPA report</u>	Includes non-enrolled students?
<u>WSRSN002</u> <u>iSIS Master Student Extract</u>	Need primary subplan. Need cumulative hours. Need overall hours. Address issues (inconsistent format) Include both UG GPA and GR GPA

Report needed: Grades less than “C”

Needed: Updated glossary

Request by DCE: don’t touch DCE classes – coordinate changes with DCE.
