Post Graduate Report KANSAS STATE UNIVERSITY Statistical Year. 2022-2023 Degrees: Bachelor

Total Degrees Awarded: 3,618 Data Available: 2,910 The data represented on this screen is collected up to six months after graduation from K-State degree recipients. The data collection and reporting processes of the <u>Career Center</u> are informed by the <u>NACE first-destination standards and protocols</u>. Note that the most common employers and schools are calculated by majors (not individuals). Some overall degree, college and program results may be different when compared to calculations by individual graduates due to double majors and other data anomalies.
