

Be a Freshman Friendly Employer at the 2013 All-University Career Fair!

Assist students in developing the confidence to approach employers and build a foundation for successful Career Fair engagement in the future.

By identifying your company as “***Freshman Friendly***”, you will have the opportunity to:

- *Support K-State’s Visionary Goal of becoming a Top 50 Public Research University by helping us engage and retain outstanding students*
- *Initiate brand awareness with students during their first semester on campus*
- *Showcase your company and its career opportunities to students early in their K-State career*
- *Educate prospective employees about the skills and experiences necessary to join your organization*
