

CONSENT AND RELEASE OF LIABILITY

I (printed name) _____ agree to voluntarily participate in an interview for Candid Career, LLC (the "Company") and acknowledge and agree that all or a portion of my interview may be videotaped, transcribed in writing and/or otherwise recorded, in any format whatsoever (e.g., video, audio, audiovisual or print), by the Company or on the Company's behalf and used by the Company for commercial purposes.

I further acknowledge that the Company may use all or a portion of said interview, including a videotape, written transcription and/or other recording thereof, in connection with the Company's business, involving the collection and distribution of information about various careers and about individuals currently in or pursuing such careers, principally through its online website, CandidCareer.com.

By executing this Consent and Release, I authorize and consent to the Company's commercial use of all or a portion of my interview, including a videotape, written transcription or other recording thereof, by the Company for use in its business, and acknowledge and agree that the Company, or its successors and assigns, exclusively owns the videotape, written transcription and/or other recording of the interview, any ownership being transferred by me and vested with the Company. I further acknowledge and agree that any written transcription of all or a portion of my interview may be used in print or in any other media format, including in advertisements and promotional materials, in connection with the Company's business, and that all or a portion of my interview, including a videotape, written transcription and/or other recording thereof, may appear on the Company's website, CandidCareer.com, or otherwise used for its business.

By consenting to the Company's exclusive ownership and use of my interview, whether in videotape, written transcription and/or other recorded format in its business and on its website, I acknowledge and agree that I am not entitled to any compensation from the Company or from anyone associated therewith for agreeing to the interview or for such use thereof, regardless of the format and I hereby disclaim and waive any right to the receipt of any and all compensation or other benefits now and at any time in the future relative to my interview or the use thereof.

I acknowledge that portions of my interview may relate to a company or business in which I have an ownership interest or for which I work, and further acknowledge that I am permitted to identify the company, describe the work and services I perform for the company and describe, in general, the business of the company. I agree that neither the Company nor anyone associated with the Company, including its members, officers, directors and employees, shall be held liable or responsible in any way for the disclosure of either my company's name, the nature of its business or any other information concerning my company that I may disclose in the course of the interview. I hereby waive all claims against the Company, anyone associated therewith, and its subscribers and clients relating in any manner to the Company's or their use of my interview. I understand and acknowledge that the Company is relying upon this Consent and Release in connection with its use of my interview for the purposes intended, and that the Company would not have conducted and would not have used the interview without my signing this Consent and Release.
