kstate360@ksu.edu

Students' activities outside of the classroom help transform them into well-rounded individuals.

K-State 360 navigates student involvement through a series of categories, developing a skillset that gives them an advantage in the future.

Students in this program learn to communicate their involvement to potential employers or graduate schools, raising their potential for success.

SIX COMPETENCY AREAS:

- | | |
|--------------------|-----------------|
| Teamwork | Diversity |
| Career development | Leadership |
| Communication | Problem solving |

KANSAS STATE
UNIVERSITY

PHASE 1

Involvement
