**ON-CAMPUS BRANDING**

1. **INFORMATION SESSIONS**
   Let the Career Center assist you in identifying an effective location, date and time for an on-campus informational session. We’ll also help spread the word that you’re coming to campus!

2. **SPECIAL EVENTS**
   The Career Center hosts a variety of small networking events, mock interviews and other activities throughout the year to allow key employers to engage with students.

3. **STUDENT ORGANIZATIONS**
   The Career Center can connect your company with students of more than 500 student organizations and clubs on campus!

4. **CLASSROOM INVOLVEMENT**
   Meet with key faculty, be a guest speaker, or sponsor a classroom research project. Requests for involvement are granted at the discretion of faculty. Let us know if we can help make an introduction for you.

“I’d like to thank the career services and College of Engineering teams, for the amazing service provided to us this year. We recruit at over 30 universities nationwide and K-State is consistently one of our favorites to recruit at, largely due to the quality of students from the College of Engineering and the level of service we receive from the career services team.”
