### Rationale and Impact of the Change

**What is Changing? Choose all that apply**
- [ ] The addition or deletion of specific components of a major, minor, or certificate
- [ ] Change to the name of majors, minors, and certificates.
- [ ] A change of 25% or more to the content of a major, minor, or certificate either in a single change or as the sum total of aggregate changes (Program content changes include changes to a program’s curriculum (measured by clock or credit hours), learning objectives, competencies or required clinical experiences. This would include changes in...
the general education courses required for program completion and not merely the courses within the discipline, program or major).

- Any addition or reduction of total credit hours to a major, minor, or certificate
- The addition of a grade or G.P.A. requirement attached to a cluster of prerequisite courses (such as C- or 2.50 GPA or higher).
- Request to add or remove details/instructions connected to an application or other process that students must complete before acceptance
- **The change is contingent on other pending changes already submitted in the curriculum process.
- **Other

If You Selected Either (astrik) ** item above, please specify.....
