WARNING: Summarize impact on other units

Indicate how the discontinuation of the minor impacts other units, etc...

If other areas/units or plans are impacted statements should include the date when the head of a unit was contacted, and the response or lack of response

We highly recommend you **run an Impact Report** if the minor is Interdisciplinary. Additionally, running this report may help you make sure that the minor is not listed in another program as a possible option for degree completion.

- Explain the effects this proposal may have on other units.
- For courses listed in the program, contact all affected units.
- Will this affect enrollments in courses in another college?
- Failure to contact all impacted units and include responses can cause delays.

- Include responses (or lack of response) in the box below or attach copies

Impact Statement***Transition Plan: Sun-Set Plan***

Indicate the number of students currently enrolled and admitted to the minor. Will students be moved to a new option (i.e., Freshman/Sophomore standing will be moved to _____ and Juniors/Seniors will be allowed to finish out in the current code? Students that have applied to graduate but are not enrolled – will they be contacted, etc...

What Term Should Admissions Stop:*

The recruitment cycle for undergraduate and graduate programs actually begins 8-15 months prior to the semester starting. Most admission decisions and registration processes have occurred or are in the final decisions weeks before the semester start. If the next available semester is being chosen you will be required to work with UG or GR Admissions on a transition plan for ALL new admits.
