

**DAIR- Associate Deans Group
(Updated 09.10.2025)**

Purposes and Mission

- Listen and identify information needs from individual areas
- Align DAIR's development of future analytical tools with the needs by academic units
- Strengthen the collaboration between DAIR and academic units
- Advocate data-informed decision-making culture at college- and department-levels
- Serve as a venue to facilitate consistent use and interpretation of data

Meetings

- 2 meetings per semester or as needed
