# The Joey Lee Garmon Undergraduate Scholarship for Social Justice

*Deadline Date for Application: Friday, Oct. 27th, 2023 by 5:00 p.m.*

## Name
This scholarship, known as the Undergraduate Scholarship for Social Justice, will be awarded in the amount of $700 to one undergraduate of any background who demonstrates exemplary efforts to advance social justice.

## Biography
Joey Lee Garmon, an African American male, was born August 20, 1947, in a predominately European American community. In this setting, it was not uncommon to have teachers and students engage in racial abuses in the classroom. When a person from a different racial/ethnic background walked down the street, he/she was often met with racial harassment. In addition, there was overt discrimination in seeking employment as a person of color. Within this community, Joey Lee Garmon was unable to find sensitive nurturing of his cultural identity in either the school system or in the community. Like so many young people in desperate and hopeless situations, Joey Lee Garmon gave up on himself and turned to drugs. On August 30, 1972, at the age of 24, he committed suicide.

This scholarship is a companionship scholarship to the Garmon Award. This scholarship recognizes that efforts of inclusion and acceptance are important in all communities.
