If you are currently enrolled in a class, leave the grade blank.

For transfer credit, mark the grade with a 'T'. For example, if you received an A, put 'TA' for the grade.

****After you have declared the econ minor and it is officially on your KSIS account, the semester you intend to graduate you must apply for graduation in KSIS for the econ minor (the same way as your major). We are not able to process your economics minor unless you have done this.****
