Applicant Record

The responses you provide in this application make up your K-State Scholarship Network (KSN) Profile. Annually, you will be asked to confirm that the information is current and accurate.

You can save your application at any time by clicking **Save and Keep Editing** at the bottom of the form. Once completed, you can submit your application by clicking **Finish and Submit**.

Note: Required fields are marked with an asterisk.

Completing an application does not guarantee that applicants will receive an award.

General Application Questions

Campus
Where will you primarily attend classes for the academic year?

Residence
Please select the living option that best describes your residence. For prospective students, you may leave this question blank until your housing has been confirmed. For current students, please review your response annually and update as

Update Your Application

Next, choose “College of Arts and Sciences” from the left-hand menu. When you land on this page, it will begin with a question about instruments or studies that apply. These are not department specific, choose any that apply.

Please only complete sections that are currently application to your situation (e.g. complete the Economics section if you are an Economics major).

Please answer the following questions

1

1-Please include a resume (preferably one approved by Career and Employment Services) and understand that by completing this application you are granting the committee permission to print out and discuss your academic record.

[Add a New File](#)

2-

References

: Please provide the names, addresses, phone numbers, and professions of two individuals (adult non-relatives) who have knowledge of your character and achievements. References will be consulted only if the Award Committee is unable to make a selection based on information contained in the written applications. Essay

3-

Statement

: Attach a one to two page statement (typed and double spaced) on your qualifications for this scholarship. In your statement you should briefly describe work experience, extracurricular activities and community activities you would like the committee to consider. Participation in extracurricular academic activities (particularly those concerning economics) will be looked at favorably by the committee. If a student attended the Cair Paravel Latin School in Topeka, that information should be included as it is considered for the Cantrell Award and any evidence of a commitment to social justice will be considered for the Delehanty Award.

[Add a New File](#)

Make sure that you have uploaded both your resume and your one to two-page statement.

Once you have completed the Economics Section you are all done! Remember if you want to apply for the “Dream Big” scholarship that is an extra application you must fill out.
