Tutoring

What we do:

- help language learners of all levels on a variety of skills
- usually work with ELP or former ELP students
 - international students who haven't gone through ELP, visiting scholars, community members, etc.
- keep copies of all currently-used ELP textbooks in the Student Learning Center for tutors and students to use

What we did:

(pre-2020!)

What we do now:

- use an appointment scheduler
 - Student Success Collaborative (SSC) at KSU
 - Setmore (free online appointment scheduler)
- same services through Zoom

How we do it:

- Tutors are ELP faculty
 - (Agnes, April, Becky, and Smoky are current tutors; Cary and I have tutored previous semesters)
- Online training in tutoring procedures and using the university scheduler
- Online resources in Canvas
- Special considerations
