

English Internship

ENGLISH 495 & 797

Pursue an internship as a credit-bearing class. Undergraduates can earn credits through ENGL 495, and graduate students can earn credits through ENGL 797.

Requirements:

- Obtain an internship position
- Write an internship proposal and submit it for review in the semester prior to the internship
- Work with a supervisory professor
- Complete reading, writing, editing, research, and other relevant work required by the internship site as well as the supervisory professor
- Complete a final internship report

Outcomes:

- Acquire professional experience and contacts in preparation for future education and employment
- Develop writing, editing, communication, research, critical thinking, and other skills
