Changes to the Music Education (B.M.E.) RATIONALE: The change is requested to fulfill accreditation requirements.

Changes to the Theatre B.A./B.S. RATIONALE: After a careful review of the core curriculum, the theatre faculty felt there were 4 courses that needed to be added into the core curriculum in order to improve the education and training of our students. In researching other land grant universities that have NAST accredited theatre programs, we discovered that our core is at the bottom end of the required number of credit hours and that adding these four courses would put us in the middle range of required credit hours of sister institutions.
