CURRICULUM CHANGES

Art

Changes to the Art Minor.

Rationale: Now that students have started signing up and completing the Minor in Art, we realize that there are some minor changes that will allow students from Architecture and Interior Design to complete the program more efficiently. We are allowing their Foundation class to count for our Foundations requirement in the Art Minor and both departments have been contacted and are thrilled with these new changes. We are also allowing more Art History classes to be part of the Minor as we recognize not everyone wants to do primarily Studio Art courses.

Women's Studies

Changes to the Women's Studies Minor.

Rationale: This updates the curriculum with recently approved/new courses.

Changes to the Women's Studies B.A./B.S.
