

Wednesday, April 29, 2020 (9:58 am) – Input Requested

Dear Colleagues,

I know you are incredibly busy, but in case you missed [Provost Taber's note requesting our input](#), the 2025 Refresh Innovation in Education reports and surveys are now available. The surveys linked in the Provost's note offer the opportunity to reflect on the task force recommendations, but also provide your own ideas and suggestions, highlighting what is most important to you as we move forward in our educational mission. The surveys are available until May 22.

As we approach the end of this extraordinary semester, I send best wishes for continued health and well-being.

Sincerely,

Tanya
