

Attachment 5  
Proposed Change to the University Handbook  
Section D12

Delete the entire D12 section from the handbook:

Rationale: Since we no longer have a General Grievance Board, this section must be changed accordingly. It is especially troubling that the language states that the GGB also hears claims on matters involving Appendix J issues! This language is not accurate.

D12 The General Grievance Board. This board hears appeals outside the departmental and college structure from faculty and unclassified professionals who believe they have been unfairly treated in matters pertaining to salary, promotions, and other job-related activities. The GGB also hears claims of discrimination based on race, color, ethnic or national origin, sex, sexual orientation, gender identity, religion, age, ancestry, disability, military status, or veteran status. Hearing procedures and further information are available through the Office of the Provost. (See Appendix G.) (Revised Admin 3/11/08)
