

Dear Colleagues,

I am writing to express my interest in continuing to serve as Secretary of the Faculty Senate for the upcoming academic year.

Over the past year, it has been a privilege to support the work of the Senate and contribute to the shared governance process at Kansas State University. Through this role, I have developed a strong understanding of Senate operations and the importance of ensuring that our discussions, decisions, and actions are documented with clarity, accuracy, and consistency.

In addition to my service as Faculty Senate Secretary, I have also served as Secretary for the Professional Staff Affairs Committee for the past two years. These experiences have allowed me to build a level of continuity and institutional awareness that I believe is especially valuable in this role—ensuring that records are not only accurate, but also meaningful and useful for senators, leadership, and the broader campus community.

The work of the Secretary often happens behind the scenes, but it plays a critical role in maintaining transparency, supporting effective decision-making, and preserving the integrity of our shared governance processes. I take that responsibility seriously and have worked to provide timely, reliable documentation that supports the Senate's work.

If re-elected, I will continue to build on this foundation—maintaining consistency in process, strengthening communication, and ensuring that the work of the Senate is captured in a way that reflects its impact and importance.

It has been an honor to serve in this role and to collaborate with colleagues across the university. I would greatly appreciate the opportunity to continue serving the Faculty Senate in this capacity.

Thank you for your time, consideration, and your continued commitment to Kansas State University.

Sincerely,  
Marcus Kidd
