❖ **Old Business**

- What did we learn from April 2 joint meeting with PSA?
- Difficult for budget administrators to see entrepreneurial benefits of extending tuition benefits to term employees.
- Many senators believe the good will of extending this benefit would far outweigh the minor cost.

❖ **New Business**

- Reviewed and discussed TEVAL video. Recommended it mention the use of TEVALS in faculty performance evaluations.
- TEVALS were last normed (validated in 2001).
- The video will be pilot tested this spring. Several committee members volunteered to use it in their classes.
- Election of committee leadership. Don Saucier and Annelise Nguyen agreed to serve as co-chairs. Charlotte Self agreed to serve as Secretary. All were elected unanimously.
- Handbook Policy Committee update from Daniel Ireton
