Re: Grievance actions during the 2018-2019 Academic Year

During the 2018-2019 academic year I received one formal request for grievance hearing.

I received a grievance hearing request from a tenured faculty member in the College of Arts & Sciences regarding denial of promotion to full professor. The request was accepted and the hearing has been scheduled during the fall semester.

I feel honored to serve in this capacity, and I thank the Faculty Senate for giving me the opportunity to serve. I would also like to thank the Faculty Senate, the University Administration and my College for the support.
