Approval of Minutes

➢ Minutes from September 1, 2009 (See attached w/corrections-additions)

Old Business

➢ .ksu - .k-state. I am still receiving comments and concerns relative to Zimbra and the .ksu domain name. I have asked James Lyall to join us, but he is out of town until the October meeting.

New Business

➢ IT Infrastructure and the University Budget. President Schulz has asked DCOPS and CCOPS to prepare recommendations for $15 million in permanent budget cuts across campus. Does FSCOT, as a representative of the Faculty Senate and campus IT users, which to prepare a response? These are due in the Budget Office by October 15, 2009.
