Two syllabus statements

1) Copyright 2011 by Dr. xxxx yyyy as to the contents of the syllabus and all lectures and exercises for EECE 241 for Spring 2011. Students are prohibited from selling (or being paid for taking) notes during this course to or by any person or commercial firm without the express written permission of the professor teaching this course.

and a cautionary note

3) Since MyRiBiT is a private business we need to make sure that our policies parallel state and federal copyrite law and also recognize the age of digital communication especially when it comes to notes. Faculty need to protect tests by simply collecting them back in class.
