3:30pm – 3:45pm	Approval of minutes	Minutes from 9/2/2014 meeting approved.
	iSIS report Diana Blake	Postponed
3:45pm – 4:30pm	Open/Alternative Textbook Proposal Brian Lindshield	The committee reviewed the proposal and approved moving it forward with no changes. Committee would like to see courses with open/ alternative textbooks identified in iSIS. Is there a common technology requirement for accessing open/alternative textbooks?
4:30pm – 4:45pm	Old / New Business Follet / iSIS Adobe Crashplan	The Union has requested a link from Verba on the Campus Store web site to iSIS so students can see textbook purchasing options directly through iSIS. We are not in a position to sign a three year contract with Adobe for over \$160,000 per year without funding to cover it. For this year, please continue to purchase Adobe products as before. Crashplan goes live Nov.1, contact your local IT dept for access. Discussed the difference between Office 365 cloud storage and Crashplan backup storage.
