Section F76

Approved by Faculty Senate on June 9, 2015**

F76 Credit by examination may carry letter grades of A, B, C, or D, or a notation "credit" as determined by the department. The credit will be treated as resident credit, but, effective for students who enroll at K-State after the Spring 2017 term, such grades will not become part of the ~~and such graded work will receive grade points to be computed in the~~ student's grade point average. Non-graded credit by examination shall be treated as graded hours in implementing the A/Pass/F policy.

Rationale: This is in response to modifications made to the transfer credit and credit for prior learning to not allow these to count towards a student's K-State GPA.

Effective for students enrolling after Spring 2017
