### 3.0 Eligibility for Resident Tuition

**Residents.** Guidelines for the determination of residency for tuition purposes are set forth in [Chapter II, Section B.6 Student Residency, Tuition/Fees and Payments](#) of the Kansas Board of Regents Policy Manual along with referenced Kansas Statutes and Administrative Regulations.

Current U.S. Armed Forces personnel (army, navy, marine corps, air force, coast guard, Kansas army or air national guard or any branch of the military reserves of the United States), veterans eligible for educational benefits under federal law, and the spouses or dependent children of such veterans or armed forces personnel are entitled to pay tuition and fees at the resident rate (K.A.R. 88-3-8). Verifying documentation is required. In addition, a veteran who was permanently stationed in Kansas during service in the armed forces or had established residency in Kansas prior to service in the armed forces, as well as the veteran's spouse or dependent children, is entitled to pay tuition and fees at the resident rate.

The following non-resident students are eligible to pay resident tuition while continuing to be classified as non-residents:

Self-employed persons and military personnel are not eligible for this resident tuition status.

#### 4.0 Refund Policy

The following table applies to students who drop one or more courses or completely withdraw from a term. Refunds are calculated by counting calendar days, including Saturdays, Sundays and holidays. Percentages and days are illustrated for full-term/regular session courses. Refunds for courses of less than a full term (non-standard session courses) will be pro-rated based on the number of days in the course. Refer to the Non-Standard Drop/Refund Dates table for non-standard session course deadlines. Each course will be refunded separately from any other courses. If any refund deadline falls on a weekend or university holiday, the deadline will be extended to the next business day.

Time of Withdrawal	Refund Percentage
Through 21st calendar day	100%
22nd through 28th calendar day	50%
After 28th calendar day	No refund

Refunds will not be made until sufficient time has elapsed to ensure that fee payment checks have been honored by the bank, usually 15 business days after the student pays. Refunds generated entirely from dropped courses will not be issued during the first 20 days of course. Students who completely withdraw from a term lose access to all campus student services as of the date of withdrawal. Academic action taken after the last day of a term will not result in a refund.

Federal regulations may require students attending the university who receive federal forms of financial assistance under Title IV, and completely withdraw from the university, to be subject to a “return of Title IV aid” calculation which is different from the above refund percentages. Contact the Office of Student Financial Assistance, 104 Fairchild Hall, (785) 532-6420 for details.

### **Military**

For military students, in addition to university refund policy, as stated in Section XX of the Comprehensive Fee Schedule, from the day when the class reaches 24% completion until the day it reaches 60% completion, one percent of the tuition assistance (TA) funds will be returned to the Department of Defense and the student’s personal account will be assessed the amount that is returned. Students who must report for active U.S. military duty during an academic term are entitled to receive a full refund of tuition and fees. All refunds are subject to presentation of official military documentation. Students who volunteer for military service will be subject to the university’s non-military refund policy. Room and board charges will be prorated to the extent that services have been provided.

### **Kansas State University Global Campus**

Some professional degree programs may have special refund policies that will be published in the program announcement. Refund policies for non-credit programs will be stated in the published announcement. A full refund will be made if the program is cancelled.
