Messages

- Payments must be received by **3:00 P.M.** on the Due Date shown above.
- If you pay your account by a consumer check, you authorize KSU to process the check as an ACH debit against the account on which it is drawn. An ACH debit will clear more quickly than a check. Your check will not be returned to you. The debit will appear on your bank statement and will be your proof of payment.
- Please pay the amount due as indicated above in the Account Summary section. If your bill indicates you have Financial Aid and it is cancelled, you are responsible for all amounts owed by the due date. If you have any questions about the amount of Financial Aid listed, please contact the Student Financial Assistance office at (785) 532-6420.
- Check out the new Designated Access program where students can grant access to parents or others to view the summary of charges, review and pay bills, view tax information and view financial aid. Students can add, change or remove access at any time and can choose which items to grant access to. For more information or to start the process, go to www.ksu.edu/onestop/designated-access.
