## PURCHASING MONTH

March is Purchasing Month, and in celebration, the Purchasing Office would like to invite you to an Open House on Thursday, March 15th at 3:00pm in 21 Anderson Hall. There will be plenty of pleasantries of which to partake, and pleasing people to provoke into a parley.

To add a fun twist, bring the correct locations of the following items in the pictures to the Open House and receive a prize! You must have all six correct to win a prize, and we have added a bonus picture for a challenge.
