

FLOWCHART FOR DETERMINATION OF INDIRECT RATE

Definitions:

- Off-Campus – when more than 50% of budget for a project is expended for activities performed in facilities not owned by KSU or to which rent is directly allocated to the project.
- Branch Stations include – Hays (10220, AHY), Colby (10210, ANW), Parsons (10240, ASE), Garden City (10235, ASW). Extension depts (35XXX), even if located at these sites, are not considered branch stations.
- Instruction includes – instructional course work or training for KSU credit.
- Research – investigation to discover new knowledge, theories, or applications. Research training, training individuals how to conduct research, and Research Experiences for Teachers/Students are also considered research.
- AGR – Funds received directly from USDA or via a subaward/subcontract. When activities include research, instruction, or OSA, the AGR rate should be used. Do not use AGR rate on Branch Stations.
- Other Sponsored Activities includes – public service, extension, services provided to the general public, project doesn't fit into other categories.

MTDC Rates for 7/1/12 through 6/30/16:

- Off Campus: 26%
- Branch Station: 36%
- AGR/USDA: 43%
- Org Research: 50%
- Instruction: 50%
- Other Sponsored Activity: 35%
