

Connecting Across Topics (CAT) Communities are designed around student interests, and they offer mentoring from both a professor and an advanced undergraduate Learning Assistant who has been successful in the same classes. K-State First offers three types of CAT Communities, including Residential (where students live in the same hall as their peers) and Study Abroad options. Some CAT Communities have an expanded focus on college student success skills (time management, study skills, etc), which is indicated by a checkmark on the sheet.

**Enrollment.** To sign up, e-mail us at [kstatefirst@k-state.edu](mailto:kstatefirst@k-state.edu) or call us at, (785) 532-1501, or at (785) 320-1221. Students may only sign up for one CAT community, and they should not sign up if they already have college credit for one or both of the main classes in the CAT community. Space is limited. Each learning community has only 22 seats.

**RESIDENTIAL CAT COMMUNITIES**

CAT Community	Available to Students	Courses	Class Number	Section	Credit Hours	Day/Time	Location	Instructor	K-State 8	Success Skills Focus
