Global Citizenship in Mexico

Spring 2020 Course with Spring 2020 Study Tour
Application Deadline: October 1, 2019
Summary

This study tour to Mexico is part of the Global Citizenship CAT Community, a year-long academic experience for first-year students at Kansas State University. As a group, we practice what it means to be a global citizen and explore the ethical dimensions of intercultural experiences. In the fall term, we examine the social construction of cultures and how they help form our identities. In the spring semester, we prepare for and travel to Puebla, Mexico over spring break. While in Mexico, we engage with and reflect critically upon the people, history, culture, society, economy, and environment.
