Co-curricular events have a huge impact on student learning and community building. Students often note that they remember these out of the classroom experiences as the time when they were most able to bond with their peers and connect what they were learning inside the classroom to their lives.

**General Guidelines:**
For our K-State First CAT Communities and First-Year Seminars, our program requires a **minimum of three** outside of the classroom co-curricular events. These can range from short field trips to local businesses, theatre performances, lectures, athletic games, or exhibits and tours.

One of these events should **connect to the K-State Book Network (KSBN) common book** of the year. Often KSBN will bring the author and provide a large campus-wide event for all of our classes, but there is also typically a series of faculty/staff lectures and other events related to the book that could be used as well.

One of these events should have a **focus on diversity/inclusion** as a way to enhance students’ understanding of their identities and to prepare them to work with a diverse group of peers at the university and in their future careers. This will help to build students’ cultural competency skills and further engage with the intercultural learning initiatives happening across the university. Depending on the common read for the year, that event might also overlap with this category as well.

We also recommend that one event have a more specific **focus on building the community within your class**. Hiking the Konza, escape room puzzling, Challenge Course adventures, attending athletic events, or even something simple like a bowling night gives students the chance to get to know each other better and build up their communication and collaboration skills.
**Funding:**
K-State First is typically able to fund one co-curricular event per class at about $10 per student. Our funds are limited, so this funding is offered on a first come, first served basis. If you plan on taking your class to an event that costs money, we recommend you fill out our field trip funding form at the beginning of the semester. Also, please keep in mind that food is not an allowable expense.

K-State First is often able to leverage our campus and community connections to find discounts and expedite reservations. We will need at least two weeks notice before the event as this will allow us to do things like buy a packet of tickets for an event, reserve a van for travel, or schedule a tour or visit at a facility. Please call our office at 785-532-1501, email kstatefirst@k-state.edu, or email mandi@k-state.edu to work directly with Mandi McKinley on scheduling, funding, and logistics for your co-curricular events.

**Scheduling:**
To make sure the majority of your students are able to attend all three events and to provide us the necessary time for scheduling and reservations, we recommend that you plan your co-curricular events as you prep your course and include them in your syllabus. This gives your students the chance to get the events scheduled into their calendars right away, and if there is a time conflict you can work together to plan a make-up activity with them. On the next few pages you will find a list of events that have already been scheduled that you can use to easily incorporate into your existing syllabus and schedule.

**Co-Curricular Reflection:**
One of the most powerful learning components of the co-curricular events happens when students are given the opportunity to reflect on the experience together. You can create an assignment with 3-4 reflection questions to gauge the impact on each student individually, and also set aside some class time to discuss their thoughts about the event and connect it more fully to your class outcomes and goals. This integration of the co-curricular event outcomes will help students build a bridge between their academics and lived experiences.

**K-State 360:**
Our program sponsored events all count towards the K-State First and KSBN K-State 360 badges. Please indicate this to your students so they can earn those badges. Other events that connect to the work we do and are promoted by our program will have the icon next to them. Some events listed that are not specifically planned or sponsored by our program might also count for K-State 360 credit, so please encourage your students to explore those options as well.

*K-State 360 is a program designed to provide students with a well-rounded experience of co-curricular programs with the ultimate goal of helping students stand out to future employers or graduate and professional schools. K-State 360 helps navigate involvement while tracking progress. Activities are placed into a series of categories (teamwork, diversity, leadership, problem solving, communication, and career development), guiding students toward an inclusive K-State experience and a developed skillset that will give students an edge. Once students complete all the category requirements, they will gain the K-State 360 designation to share with potential employers and graduate schools.*

**Sunset Zoo**: Call more than 2 weeks before your scheduled visit, and K-State students enjoy free admission. [http://ks-manhattanzoo2.civicplus.com/114/Group-School-Admission](http://ks-manhattanzoo2.civicplus.com/114/Group-School-Admission)

**The Beach Museum of Art** offers tours of the permanent art collection and temporary exhibitions. Schedule tours: 785-532-7718; [klwalk@ksu.edu](mailto:klwalk@ksu.edu).

There are a number of options for tying the museum in to your curriculum including guided tours, pre-planned gallery activities, bringing your students on your own, extra credit assignments, and attending special events and programs. View a list of upcoming exhibits and events on their [website](http://www.k-state.edu/butterfly/scheduletour.html).

Some things to keep in mind:

- While the museum is open 10-5 Tuesday, Wednesday and Friday and 10-8 on Thursday, they do open early for guided tours, and will try to make special arrangements to assist you if you have a class that meets outside of those hours.
- Please try to give them a four week lead time – this will increase your chances of their staff being available for your desired time and time to tailor your tour/program.
- If you do plan to bring a class on your own, they do ask that you let them know the date and time so they may manage the number of larger groups trying to use the space at one time. Priority will be given to tours/classes that are on their schedule.

**Wildcats Make a Pact:**

Wildcats Make a Pact is a bystander intervention training that provides participants with the skills to help them intervene safely when they see behavior that puts others at risk for violence, victimization, or perpetration. These include speaking out against rape myths and sexist language, supporting victim/survivors, and intervening in potentially violent situations. RSVP at [www.ksu.edu/care/wmap](http://www.ksu.edu/care/wmap).

**Undergraduate Research and Creative Inquiry:**

**SPARK Week** (Students Promoting the Advancement of Research at K-State) - October

Classroom Presentations:
If you are interested in introducing various campus resources to your students but already have planned your three co-curricular outside of the classroom events, you might consider reaching out to incorporate an in-class presentation. The following offices and programs provide various workshops, trainings, and informational sessions.

Academic Achievement Center
Looking for a presentation or workshop on student success resources? Request a presenter to cover K-State specific resources as well as academic and life skills information.

Career Center
Your requests for a Career Center presentation should be made at least 2 weeks before your preferred program date. Staff availability is limited for presentations after typical business hours and is best arranged at least a month prior to your requested date. Request a speaker for career-related topics.

Career Readiness Curriculum includes the following topics:
- Career Center Overview
- Resumes
- Interviewing
- Salary Negotiation
- Economy/Industry Research
- Other topics may be available by special request but depend on staff availability

Center for Advocacy, Response, and Education (CARE)
The CARE advocates offer a variety of interactive training options for K-State students, faculty, and staff members. Presentations are designed to engage audiences and offer insight about best-practices from the advocates extensive experience working with survivors of sexual violence, dating violence, domestic violence, stalking, and sexual harassment.

If you would like to have someone from CARE come to your location (residence hall, community, class, etc.) to give a presentation, facilitate a discussion, or provide prevention education materials, please complete the online Workshop Request Form. For preparation and planning purposes, please make your request at least two weeks in advance.

Counseling Services
Counseling Services provides psycho-educational and informational presentations to campus entities. If you are interested in having them present to your class, group, or department please contact Wendy Barnes at counsel2@ksu.edu.

Powercat Financial
Peer financial counselors can provide any student group a financial presentation. Request a presentation online. Some of the topics include:
- Creating a spending or savings plan
- How to build good credit
- Understanding student loan repayment, consolidation and refinancing
- Personal financial management overview
- Transitioning into work and understanding benefits

WellCAT Ambassadors - Lafene Health Center
Certified peer educators offer a wide-variety of interactive, evidence-based health and well-being presentations that can be tailored to meet the needs of your group. View a menu of presentations and request a presentation here.

Writing Center
Faculty and staff are integral to the goal of improving student writing. If you would like a short presentation about the Writing Center in your class, or if you would like for them to facilitate a writing workshop, please fill out the Qualtrics outreach form.
