General Guidelines:
For our K-State First CAT Communities and First-Year Seminars, our program requires three outside of the classroom co-curricular events. These can range from short field trips to local businesses, theatre performances, lectures, athletic games, or exhibits and tours.

One of these events should connect to the K-State First Book (KSFB) common book of the year. Often KSFB will bring the author and provide a large campus-wide event for all of our classes, but there are also typically a series of engaging faculty/staff lectures and other exciting events related to the book that could be used as well.

One of these events should have a focus on diversity/equity/inclusion/belonging (DEIB) as a way to enhance students’ understanding of their identities and to prepare them to work with a diverse group of peers at the university and in their future careers. This will help to build students’ cultural competency skills and further engage with the intercultural learning initiatives happening across the university. Depending on the common book for the year, that event might also overlap with this category as well.

We also recommend that one event have a more specific focus on building the community within your class. Hiking the Konza, escape room puzzling, Challenge Course adventures, attending athletic events, or even something simple like a bowling night gives students the chance to get to know each other better and build up their communication and collaboration skills.

How To Use The Co-Curricular Guide:
Within this guide are our K-State First program expectations and tips for co-curricular events, as well as a detailed list of options available for online, on-campus, and off-campus event planning. If text is bolded purple within a description, that means it is a hyperlink, and if you click on it you will be directed to that website, form, or email.

**Funding:**
K-State First is typically able to fund one co-curricular event per class at about $10 per student. This funding is offered on a first-come, first-served basis. Many events on campus are free and sometimes offered virtually. If you do plan on taking your class to an event that costs money, you will need to fill out our Co-Curricular Event Funding Form at the beginning of the semester. Also, please keep in mind that food is not an allowable expense.

K-State First is often able to leverage our campus and community connections to find discounts, free admission opportunities, and expedite reservations. We will need at least two weeks notice before the event as this will allow us to do things like buy a packet of tickets for an event, reserve a van for travel, or schedule a tour or visit at a facility. Please call our office at 785-532-1501 or email kstatefirst@k-state.edu to work on scheduling, funding, and logistics for your co-curricular events.

There are no free dining passes from Housing & Dining Services this fall. But, for those faculty members who want to eat with their Residential CAT Community in one of the dining halls, we can offer one meal pass this semester, which we will fund from our limited Foundation account. We encourage you to spend time with your students, of course, but we won’t be able to pick up the cost for meal passes beyond the first one.

**Scheduling:**
To make sure the majority of your students are able to attend all three events and to provide us the necessary time for scheduling and reservations, we recommend that you plan your co-curricular events as you prep your course and include them in your syllabus and schedule. This gives your students the chance to get the events scheduled into their calendars right away at the beginning of the semester, and if there is a time conflict you can work together to plan a make-up activity with them. On the next few pages you will find a list of events that have already been scheduled that you can use to easily incorporate into your existing syllabus and schedule.

**Co-Curricular Reflection:**
One of the most powerful learning components of the co-curricular events happens when students are given the opportunity to reflect on the experience together. You can create an assignment with 3-4 reflection questions to gauge the impact on each student individually, and also set aside some class time to discuss their thoughts about the event and connect it more fully to your class outcomes and goals. This integration of the co-curricular event outcomes will help students build a bridge between their academics and lived experiences.

Some example reflection questions could be as follows:
- What is a comment or point that resonated with you during the event? Tell us more...
- One prominent theme of the event was _____________. What does this mean to you?
- How did the event help you to understand yourself or your peers more fully?

**COVID-19 Considerations**
We will continue to follow the University Guidelines related to COVID-19 safety. If you need help, please reach out to us at kstatefirst@k-state.edu, and we will be happy to brainstorm and plan with you.
Fall 2023 Events:

Monday, October 9

**KSUnite: A Journey to Justice: Bridging Distances & Differences**
KSUnite will be a three-day conference open to our colleagues and communities throughout the state of Kansas and beyond. It provides all members of the K-State community a chance to meaningfully engage and holistically embrace opportunities for respect, civility, and tolerance, and to feel pride in participation as we prepare students for global citizenry.

October 18-20

**Division of Student Belonging and Inclusion**
The department provides leadership in building an inclusive campus climate that fosters mutual understanding among diverse groups. The office works with deans, department heads, faculty and other key units throughout the university. Check out their [website](http://www.ksu.edu) for upcoming events.

**Ebony Theatre’s First Friday**
K-State’s Ebony Theatre hosts First Friday in the Sandy Chastan Purple Masque lobby on the first Friday of each month during the academic year. The monthly arts-infused social gathering gives a variety of student performers of color a chance to share their work while attendees gather for conversation and refreshments. And, each month a multicultural student organization is honored for their work on campus. First Friday is free and open to the public.

**International Student Center Coffee Hours**
Coffee Hour is a culturally enriching experience designed to give international students a chance to present their country and culture to others in an open and relaxed setting. Student presenters share their thoughts and feelings on a variety of topics and issues concerning their country’s culture, history, and politics and also promotes awareness and discussion among those attending the presentation. Enjoy a cup of coffee and sample traditional cuisine from the presenter’s culture. Check their [events page](http://www.ksu.edu) for details.
Diversity, Equity, Inclusion, and Belonging (cont):

**LGBT Resource Center**
Supports Lesbian, Gay, Bisexual, and Transgender (LGBT) students, staff, and faculty and allied members of our campus and surrounding communities to be more secure, educated, and productive in their personal and professional surroundings. Check out their [website](#) for upcoming events.

**Activities, Exhibits, and Tours:**

**Beach Museum of Art**
They offer tours of the permanent art collection and temporary exhibitions. Schedule tours: 785-532-7718; [klwalk@ksu.edu](mailto:klwalk@ksu.edu).

Explore options for tying the museum in to your curriculum including guided tours, pre-planned gallery activities, bringing your students on your own, extra credit assignments, and attending special events and programs. View a list of upcoming exhibits and events on their [website](#). Some things to keep in mind:
- While the museum is open 10-5 Tuesday, Wednesday, and Friday and 10-8 on Thursday, they do open early for guided tours, and will try to make special arrangements to assist you if you have a class that meets outside of those hours.
- Please try to give them a **four week lead time** – this will increase your chances of their staff being available for your desired time and time to tailor your tour/program. If you do plan to bring a class on your own, let them know the date and time so they may manage the number of larger groups trying to use the space.

**Goblin Games and Village Geek Games**
**Goblin Games** is a great spot for to find board games, RPGs, Tabletop Mini Games, and the accessories you need to play! **Village Geek** is a place for gamers of all ages and levels. Both can help teach basic games, organize an event, rent out a space to play, and more!

**Konza Prairie Trails**
Konza Prairie’s **hiking trails** wind through lowland gallery forest, cross Kings Creek, and climb over ancient limestone ledges into the native tallgrass prairie. Enjoy spectacular views with a moderate walk with occasional steep climbs, uneven footing and narrow pathways.

**K-State Challenge Course**
A challenge course is composed of wood, poles, cables, logs and belaying systems that are used for activities such as ice breakers, group initiatives, and low and/or high element challenges. Explore your options on their [website](#).

Hosting a Watch Party
Watch a movie/show together using the Google Chrome Extension and have a Netflix Party, or use another platform that aligns more with your needs! If you’re using Zoom, use the following directions to get started:
- Make sure everyone has a link to your Zoom meeting and set safety measures as host to avoid Zoom bombing.
- When sharing your screen on your desktop, go to the menu at the bottom of your Zoom screen once you’re in your video call and hit “Share Screen”.
- Be sure to tap on the window that has the event playing.
- Check the boxes “Share sound” and “Optimize for video clip”.
- Utilize the chat feature to discuss what’s happening and encourage engagement!

Jackbox Games
If someone has purchased Jackbox, they can share their screen and allow others to remotely log in to play. As long as everyone can see the screen, they can use their phones to play along.

Talent Show or PowerPoint Party
Explore some of your students’ talents and interests in a fun, lighthearted way with a talent show or planned PowerPoint Party.

Trivia
Use a Random Trivia Generator, or create your own trivia game.

Yoga
Share your screen of a YouTube Yoga (or any workout) class, and get moving together.
Classroom Presentations:
If you are interested in introducing various campus resources to your students but already have planned your three curricular outside of the classroom events, you might consider reaching out to incorporate an in-class presentation. The following offices and programs provide various workshops, trainings, and informational sessions.

**Academic Achievement Center**
Looking for a presentation or workshop on student success resources? Request a presenter to cover K-State specific resources as well as academic and life skills information.

**Career Center**
Your requests for a Career Center presentation should be made at least 2 weeks before your preferred program date. Staff availability is limited for presentations after typical business hours and is best arranged at least a month prior to your requested date. Request a speaker for career-related topics.

Career Readiness Curriculum includes the following topics:
- Career Center Overview
- Resumes
- Interviewing
- Salary Negotiation
- Economy/Industry Research
- Other topics may be available by special request but depend on staff availability

**Center for Advocacy, Response, and Education (CARE)**
The CARE advocates offer a variety of interactive training options designed to engage audiences and offer insight about best-practices from the advocates extensive experience working with survivors of sexual violence, dating violence, domestic violence, stalking, and sexual harassment. If you would like to have someone from CARE give a presentation, facilitate a discussion, or provide prevention education materials, please ksucare@ksu.edu. For preparation and planning purposes, please make your request at least two weeks in advance.

**Center for Student Involvement (CSI)**
The CSI provides opportunities for students to get connected, engaged, and involved on campus. First-year students may especially be interested in the Cat Trax program, which serves as a roadmap to experiences every K-State student should have, such as joining a student organization, attending campus events and activities, participating in K-State traditions, and much more! Contact the CSI to schedule a presentation about student involvement resources, programs and opportunities!

**Education Abroad**
The Education Abroad Office can customize classroom presentations based on your available time and needs. Presentations can be short 10 minute overviews about study abroad, information about programs for specific majors or fields of study, Q&A sessions with study abroad returnees, or they can be longer presentations by study abroad peer advisors or members of their staff. Complete the information form here or email overseas@ksu.edu to request a classroom presentation.

**Office of Institutional Equity**
The Office of Institutional Equity (OIE) is engaged in coordinating K-State’s compliance with laws, regulations, executive orders and other applicable polices that uphold our guiding principles. OIE also serves as a resource for the University. Visit the website for upcoming events and resources for you and your students.

**Powercat Financial**
Peer financial counselors can provide any student group a financial presentation. Request a presentation online. Some of the topics include:
- Creating a spending or savings plan
- How to build good credit
- Understanding student loan repayment, consolidation and refinancing
- Personal financial management overview
- Transitioning into work and understanding benefits

**Thrive Navigators - Counseling Services**
Thrive Navigators provide evidence-based education, host events, collaborate with other campus and community partners, and serve as role models to encourage fellow K-State students to make well-informed decisions regarding their health and well-being. Request a presentation on their website.

**Writing Center**
Faculty and staff are integral to the goal of improving student writing. If you would like a short presentation about the Writing Center in your class, or if you would like for them to facilitate a writing workshop, please fill out the Qualtrics outreach form.
