2024 - 2025

## *Financial Transparency Information*

UPDATED MAY 1, 2024

*Dear potential new members,*

We are so glad that you are interested in learning more about the financial expectations of being involved in our Panhellenic community. Like any student organization, Panhellenic life comes with financial obligations for all members, new and initiated. We gathered this information to be as transparent as possible. While these figures are estimates and subject to change, we believe this document will give you a good insight as to what to expect as a member of one of our chapters.

If you are going through the recruitment process, we encourage you to ask more questions about chapter finances and expectations. Dues may vary from chapter to chapter and from year to year. The numbers in this document are the 2024-2025 cost for members in all stages: New Member, Active Member Residing Inside of Chapter Facility or “Live In”, and Active Member Residing Out of Chapter Facility or “Out of House”.

We know that finances can be stressful, especially during Recruitment. Please know that we are here to support you and help your experience go smoothly during your Panhellenic journey. If you have any questions please don't hesitate to contact your Recruitment Guide, the Panhellenic Executive Vice President, or the Fraternity & Sorority Life Office.

*All of the best,*

*Panhellenic*

# PANHELLENIC HOUSING

## Chapter Facilities

13 of our Panhellenic organizations have a chapter facility. All of the sorority houses are a short walk from campus. Each chapter facility can house between 50-80 sorority members. These houses provide meal services 5-7 days a week, cleaning services, in-house laundry, wifi and many other amenities.

## Living "In House"

Students who live "In House" get to enjoy the once in a lifetime opportunity of living with 50+ of your sisters. Most sorority members "Live In" during their second (sophomore) year and third (junior) year. Some members may even live in their senior year if they are involved in chapter leadership.

## House Directors

Chapter facilities have a House Director who oversees the daily operations of the property. They are often referred to as "House Moms", and the majority live in the chapter house full-time! They have a vital role in fostering a safe, diverse, caring, and supportive living community for sorority members.

## Living "Out of House"

Not all Panhellenic members live in the chapter facility. Many live-in residential halls or alternative off-campus housing options. "Out of house" members are still welcome at the chapter facility to spend quality time with their sisters. Many of these members often eat 1-3 meals a week at the chapter house.
