Thanks for supporting K-State Gardens by signing up for the race/walk!

This race is chip-timed. Please wear your bib number on the front of your body so that it can be seen as you cross the finish line.

In the event of lightening at race time, the event will be postponed until safe or cancelled. We will start the race if there is light rain, so bring appropriate gear if needed.

Dogs are not allowed in this race. Since this is a sidewalk race, please run in single file as runners approach from behind, allowing them to pass. Strollers are allowed on the course, but encouraged to start near the end of the lineup.

Results and awards will be available immediately when crossing the finish line at <https://letsgoruncom.rsupartner.com/>
