

Minutes
President's Commission on the Status of Women
10:00 am April 19, 2017
401 Hale Library

1. Welcome: Present; Wendy Barnes, Linda Henriksen, Angela Hubler, Miranda Moore, Felisa Osburn, Sarah Reznikoff, Sara Thurston, Clara Valadares, Laura Widenor.
2. Review minutes of last meeting: No changes.
3. Discuss working groups
 - a. Professional Development Fund: There were 16 recipients for the award. There was a discussion about some changes to the application and requirements including if they had been prior recipients and the effect of not receiving the award would have on attending the event. Felisa will work on a matrix for the award. We will also post the list of recipients on the website for continuity for next year.
 - b. Posters/Flyers: The group met with the Aggieville Business Association, but have not met with any of the bar owners. The consensus was that it would be better to send time and energy on by-stander training instead of the 'Ask Angela' posters.
Posters for the lactation stations have been updated with all of the locations. The question was asked who will pay for the posters to be printed. It was suggested that we ask the President's office. We need to get a number of how many posters we need printed then it will be submitted. The poster will be sent to several departments to be put on their websites and sent out on social media.
 - c. Lactation Stations: All of the stations have been found. The chair we have will go in 207A Willard Hall. A sign will be put with the chair stating it was provided by PCOSW. There are several on campus organizations that could provide posters and brochures that would be a nice addition to the stations. They could still use some nicer chairs and tables. We will continue to watch as departments relocate for the furniture.
4. Discuss meeting with President in reference to our final Report
 - a. Update on what we have done this academic year: Professional Development awards, new Lactation Station posters, and new furniture for stations.
 - b. Our main topics: Lack of SANE/SART nurse and revision of sexual assault policy.

- c. Who will be in attendance: Felisa Osburn, Angela Hubler, Miranda Moore, Clara Kientz, Wendy Barnes. Is anyone else interested?
- d. The meeting is scheduled for 9 AM Monday, May 8th in the President's conference room.

5. Other items of discussion; continuity for next year's committee: it was recommended that the chair stays on the committee one more year for continuity of the commission.

6. Adjourn: Meeting was adjourned at 11:00.
