**Applied Geography Conference Presentations**

**Daniels, M.D.,** Boardman, G.C., and Woodworth, P.M. presented, “Assessing Dam Removal Impacts on Downstream Geomorphic Stability Using Hydrodynamic Modeling” at the 31<sup>st</sup> Applied Geography Conference held in Wilmington, Delaware, October 15-18, 2008.

**Che, D., Paul, B.K.,** and **Tinnon, V.L.** presented, “Public and Private Responses to the December 28-31, 2006, High Plains Blizzard” at the 31<sup>st</sup> Applied Geography Conference held in Wilmington, Delaware, October 15-18, 2008.

At this year’s Applied Geography Conference, Lisa Harrington organized the session: Climatology and Applied Geography: A Tribute in Memory of John Oliver. John Harrington chaired this session.
and presented, “Climate Classification, Climatic Years, and Climatic Change.”

**Event and Thing of Note**

Welcome to **Dr. Subash Charada Das** who has joined our department as a Fulbright Research Scholar from Bangladesh and will stay with us for six months. Dr. Das is a Professor of Geography at Jahangirnagar University, Dhaka, Bangladesh. He was former head of Geography Department, Dean of Social Sciences, and Provost of Jahangirnagar University. While he is with us, he will complete a comparative study on coastal disaster management in Bangladesh and the United States. Dr. Das will have an office in 164M Seaton Hall.

Please contact Mitch Stimers (stimers@ksu.edu) or Bimal Paul (b kp@ksu.edu) if you have items for the Globe.
