

**Alvin and RosaLee Sarachek Predoctoral Honors Fellowship  
and Travel Award in Molecular Biology**

Application Deadline: **March 1**

At the discretion of the selection committee, the fellowship may not be awarded every year. Up to three travel awards will be presented annually. A student may not receive a travel award and the fellowship during the same year.

Submit the materials listed below as **one Word or PDF file** to [sarachek@ksu.edu](mailto:sarachek@ksu.edu).

1. **Application form**

2. **Curriculum vita**

Vita should include academic history, publications, presentations, awards and honors, professional service, and professional experience.

3. **K-State Transcript or copy of Academic History from KSIS**

4. **Two letters of recommendation**

The student's major professor and one additional K-State faculty member who is familiar with the student's research should submit letters of recommendation.

Please do not submit more than two letters. Those providing references are asked to comment on the suitability of candidates for either, or both of the awards, depending on the application. The letters should summarize the student's qualifications, highlight exceptional achievements, describe potential as a scientist, and indicate why the student deserves the fellowship or travel award.

Letters should be limited to two pages and submitted as a PDF either by the faculty member or as part of the application packet via email to [sarachek@ksu.edu](mailto:sarachek@ksu.edu).
