

Before you submit this questionnaire, please carefully read the statement below and indicate you have read it by typing your full name in the box below. Once you hit submit, the questionnaire will go to Human Capital Services (HCS) and will then be submitted to your supervisor for review.

Accurate information is needed in order to fairly and equitably create job descriptions and compare these job descriptions to market data. I certify that this accurately reflects my job duties and essential functions. I understand that audits may take place, and inaccurate reporting will result in a delay of the evaluative process.
