Libraries
The Future of Hale Library
Hale Library Recovery Plan

Hale Library suffered substantial damage as a result of the smoke and the large amount of water needed to extinguish the fire. We estimate that Hale Library will remain closed into the fall semester. A timeline is still being discussed for reopening the building. We are working to find alternative IT and study space for students for the fall semester. We invite you to follow our journey to restore Hale Library on the Hale Library blog.

Library services
Library materials in Hale will remain inaccessible for an extended period. Every effort is being made to temporarily house books at other libraries on campus. For more information, please visit the Hale Library blog.
