Voluntary Benefits & Preferred Lab Coordinator

OPEN ENROLLMENT IS COMING SOON!

The month of October is Open Enrollment! During that month, you will need to log into your membership portal and elect your benefits for the 2020 plan year. Even if you do not wish to change plans, you will need to complete the enrollment process for 2020.

NOTE: If you have waived benefits in the past and will remain waived, no action is needed.

ASK ALEX

Now is a great time to start reviewing your choices with the State Employee Health Plan to ensure you are making the best choices for you and your family. A great way to compare plans is the ALEX Online Coverage Advisor Tool on the KDHE website. Check it out here!

Employee Advisory Committee Positions Now Available!

The Employee Advisory Committee (EAC) is a group comprised of state employees designed to review information and updates regarding the State Employee Health Plan (SEHP) and make recommendations to the Health Care Commission (HCC) regarding benefit offerings and plans. EAC members are appointed for 3-year terms and may be re-appointed when their term expires. Interested employees must obtain their agency’s approval PRIOR to applying to serve on this committee.

The EAC typically holds 3-4 meetings each year in Topeka. Most meetings occur during the first half of the calendar year as plan decisions regarding the upcoming plan year are reviewed and considered. At the option of the EAC, additional meetings may be called.

The selection of EAC participants is based on geographic location, gender, salary range, plan participation, coverage level and the state agency, to ensure the EAC makeup is a broad cross-section of the State of Kansas to represent the diversity of all state employees in the plan.

Employees interested in being considered for this role should review the information outlining the EAC duties, and then complete the EAC application on our SEHP website. Instructions on where to send the form are included on the application.

The Deadline for Applications for the EAC is October 31st, 2019!
