By signing below, I confirm I have read, understand, and agree to the following:

- I have read and understood the Kansas State University Voluntary Separation Incentive Program for Retirement (VSIP) application procedures and frequently asked questions. These resources are available at: <http://www.ksu.edu/hcs/vsip>.
- I understand that this VSIP Notice of Interest form does not guarantee or entitle my participation in the VSIP option, nor does it officially recognize my intent to retire.
- I understand that if I am selected and agree to participate in the VSIP, I will no longer be considered eligible for future merit increases.

- I understand that I continue to be subject to all applicable University codes, rules and regulations, policies, and procedures until I retire.
- I understand I must obtain approval to participate in the VSIP and complete appropriate forms and information, including a Notice of Retirement and a Separation Agreement with Waiver and Release, before I am entitled to receive any benefits from the VSIP.
- I also understand that if I am approved to participate in the VSIP and agree to the terms of the program, I am required to retire from Kansas State University on the VSIP retirement date chosen on this form, regardless of whether I sign the Separation Agreement or not.
- I understand that upon verification and approval of my participation in the VSIP I will receive information on the retirement process, submit my letter of retirement, and be given a copy of a Separation Agreement with Waiver and Release to review with an attorney and tax advisor of my choosing.
- I understand that I am required to sign the Separation Agreement with Waiver and Release **no later than May 2, 2022.**
 - I understand that if I choose not to execute or if I execute and then revoke the Separation Agreement within 7 days of my signature, I understand that I will not be eligible to receive any benefits from the VSIP program (including the monetary payout) and Kansas State University will continue to treat me as retired and I will still receive the retirement benefits available to retirees per established University policies, plans, and procedures.
